Three Day Competition Audition Prep Classes: (Ages 6-8, 9-12, & 13+)

This three-day camp is for recreational dancers considering auditioning in July for our DelMonico Dance Competition Companies. This is a great way for dancers to try more advanced and challenging classes without the intimidation of dancers already on competition teams. These classes are prior to our audition workshops, but dancers in these classes will have a head start because they will learn some audition choreography ahead of time. We strongly suggest this camp to anyone considering auditioning.
